PLANNED ACTIONS

1. Information gathering
 - a. Awaiting response from Rob Naples on additional questions and potential meeting with FCERMT.
2. Evaluating Information
 - a. Identify key issues which are of concern to residents (or the authorities themselves) and prioritise them;
 - b. Assess whether any matter could be influenced by new planning policies and should be included in the Neighbourhood Plan and prepare an outline;
 - c. Identify other issues that are not planning matters and assess reasons to include them;
 - d. Advise other subgroups of issues identified that might impact on their topic
 - e. Consider policies proposed by other subgroups and identify potential impacts on drainage, flood risk and water supply.
3. Regulator Consultation
 - a. Consult with Environment Agency, Northumberland County Council, Northumbrian Water Limited and Ponteland Town Council regarding potential local plan policies.
4. Finalise Sub-group input to Draft Neighbourhood Plan
