## PLANNED ACTIONS

1. Information gathering
  - a. Continue to press for full response from the Environment Agency
  - b. Request the Ponteland Neighbourhood Plan Group to place on the web site an invitation for comment from the public to identify specific concerns about surface water drainage foul sewerage and potential flooding.
  - c. Ask former Ponteland Town Council member Alan Mee for details of drainage/flooding problems of which he is aware.
2. Evaluating Information
  - a. Identify issues which are of concern to residents (or the authorities themselves) and prioritise them;
  - b. Assess whether any matter could be influenced by new planning policies and should be included in the Neighbourhood Plan and prepare an outline;
  - c. Identify other issues that are not planning matters and assess reasons to include them;
  - d. Consider policies proposed by other subgroups and identify potential impacts on drainage, flood risk and water supply.
3. Regulator Consultation
  - a. Consult with Environment Agency, Northumberland County Council, Northumbrian Water Limited and Ponteland Town Council regarding potential local plan policies.
4. Finalise Sub-group input to Draft Neighbourhood Plan

## COMPLETION DATES

	ITEM	Date by
1.	Information gathering	31 May 2013
2.	Evaluating information	30 June 2013
3.	Regulator consultation	31 July 2013
4.	Finalise sub-group input to draft neighbourhood plan	31 August 2013
