

Ponteland Neighbourhood Plan - Subgroup Report

Topic Group - Transportation

Meeting date - 16 July 2013

Attendees:

- John Nixon
- Alma Dunigan
- Robin Ramsay

Items discussed

- Traffic congestion at peak times
- Traffic management – can it be improved
- Road maintenance & safety issues
- Future needs, paths, cycleways, car parking (public and private), bypass

Decisions

1. Review scoping document
2. Airport is an influence on Ponteland

Action agreed	Date by	Name
1. Set up next meeting as a workshop to identify the main issues for the group to be concerned with. Information from other groups will influence the main issues.		

Outstanding Issues to follow up

AD will identify areas/issues to feed into this workshop from all the other sub groups
