

Ponteland Neighbourhood Plan - Subgroup Report

Topic Group Education & Youth Activities

Meeting date 18.10.13

Attendees:

- Alma Dunigan
- Mike Brown
- Trevor Swann
- Paul Johnson

Items discussed

- Gathered all the evidence to date
- Discussed the existing 'feeder partnership system' adopted by all the schools in the area. This cooperation between schools is seen by governors as essential to the quality of provision.
- The 3 tier system of education in Ponteland is highly valued by parents and teachers alike.

Decisions

Needed to identify schools 'out of hour's' activities, this would help link education and youth activities

At some stage a Youth Worker should be involved to identify Youth needs.

Although RA was unable to attend he had flagged up the existing poor provision for the Youth in Ponteland, and the effort to provide a Skate Park by the end of the year.

Action agreed	Date by	Name
All members to search out activities/extra curriculum already provided in the schools.	By next meeting	Alma Dunigan
AD to arrange a meeting with the Ponteland Community Partnership regarding the Skate Park	ASAP	Alma Dunigan
