

## SUB-GROUP MEMBERSHIP

David Hobson (DH)

Ken Rusby (KR)

## ACTIONS TAKEN

The following actions have taken place since previous report.

Date	Action
09/01/2014	Received advice from Environment Agency suggesting minor changes to V2 of report
09/01/2014	Prepared V2.1 of report incorporating Environment Agency suggestions and changed the reference to the plan period to reflect duration agreed at the Neighbourhood Plan (i.e. up to 2013)
23/01/2014	Made revisions to wording of Draft planning policies taking account of advice from Planning Aid training.
03/02/2014	Received comments from Northumberland County Council on V2 of the report
05/02/2014	Made revisions to report taking into account comments from Northumberland County Council
06/02/2014	Discussions with the Environment Agency's Flood Management Officer and Northumberland County Council's Sustainable Drainage Officer regarding future flood risk from the Fairney Burn and possible planning measures to enable protection measures to be provided when needed.
07/02/2014	Examined maps and identified potential location and extent of area for flood future storage. Site visit to Fairney Burn to check practicality of proposal.
07/02/2014	Drafted additional information for Drainage and Flood Risk Report, including a new draft policy to keep an area of land adjacent to the Fairney Burn available for future flood storage.
