

Ponteland Neighbourhood Plan - Subgroup Report

Topic Group Natural Environment, Open Spaces & Habitat

Meeting date 12.3.14

Attendees:

- Alma Dunigan
- Heather Forshaw
- Chris Wright
- George Clasper

Items discussed

- The importance of the Natural Environment to Ponteland, and the need for visual evidence for this topic
- The structure for the next document
- What evidence should to be included in the draft Document
- Carried over policies from CMBC
- How to cope with the amount of information/reference material
- The appendix

Decisions

A structure was decided to present in a draft document initially for the members of the subgroup to comment.

All the subgroup members to circulate information, in readiness for the next meeting.

Action agreed	Date by	Name
AD to proceed with the document	ASAP	Alma Dunigan
