

# Ponteland Neighbourhood Plan - Subgroup Report

---

**Topic Group Transport**

**Meeting date 26.07.16**

## **Attendees:**

- **Peter Cowey**
- **Chris Winks**
- **Robin Ramsay**
- **Alma Dunigan**
- **Will Moses**
- **Planning Consultant**

## **Items discussed**

- Traffic congestion in the village caused by the A696 dividing the original village from Darras Hall
- Two types of traffic, those passing through on the trunk road and others travelling from one side of the A696 to the other
- Cycle paths for new developments
- Lack of public car parking space and the need to maintain existing as a minimum
- Possibility of mitigation( parking ) in planning applications
- Dropped kerbs

## **Decisions**

1. Planning Consultant to contact NCC and raise issues on parking spaces allocation in Ponteland. Many of the parking spaces are privately owned.
2. A Design Policy in the Built Environment to be written to cover dropped kerbs
3. Prepare a Map/Plan to cover a cycleway network as part of a Project
4. Planning Consultant to prepare Planning Policies and advise on Projects
